**Scientific Symposium 2024**

London, 15<sup>th</sup> October 2024

Leeds, 22<sup>nd</sup> October 2024

# Welcome!

**Diagnostics**  
is in our blood.

Dear Sir/Madam,

On behalf of Stago UK, I am pleased to invite you to our upcoming Stago Scientific Symposium.

We wanted to make sure that all laboratories across the country are able to attend and so this year's symposium will be hosted across two sites on two separate dates. The first meeting will be held at BMA house in London on **Tuesday 15<sup>th</sup> October**. The second meeting will be held at the Leeds Royal Armouries on **Tuesday 22<sup>nd</sup> October**. You only need to attend one of these events as the agenda will be the same. Please indicate which of the two events you would like to attend by following this [link](#) or clicking on the invite below.

## Stago Scientific Symposium 2024

**Tuesday 15<sup>th</sup> Oct** | BMA House | London

**Tuesday 22<sup>nd</sup> Oct** | Royal Armouries | Leeds

We have a great agenda lined up (see below), including a presentation from UKAS on the new ISO15189:2022 standards and updates on the most recent guidelines.

We look forward to welcoming you in either London or Leeds later in October. In the meantime, please do not hesitate to contact me if you have any questions: [market.uk@stago.uk.com](mailto:market.uk@stago.uk.com)

Kind regards,

**Yannig Quérel**
